FARMVILLE.

That was a remarkable statement of your correspondent from Shepards, that more drunkenness was seen at Buckingham Courthouse when no liquor is allowed to be sold than in Farmville where the dispensary is in full blast from sun to sun. The problem isn't yet solved, nor is the liquor question yet settled. So many men, and also some women must have their "dram" that the law has up-hill work in controlling the thirst. The fact is that so far as heard from it hasn't controlled it. Statistics show more let up in the amount of intoxicants consumed, though in the county places in Virginia there has been a general cleaning up.

Since Mr. W. H. Ewing, who has been treasurer of the county for the past 16 years, declines to stand for re election, aspirants are springing up on all sides. As yet Mr. R. J. Carter, of Prospect, and Capt. T. W. Watkins, of this place, are most prominently connected with the fight. They are hustlers and will see the "dear people" from house to house.

The Board of Supervisors are determined to control the running of the automobiles in the county or drive the animal out. This is simply a movement in the interest of self-preservation. Our ladies are driving more as never before in the history of the county, and all possible safe guards should be thrown about them. The "au" is the luxury of the few while the large majority must still look to the old "family mare" as the local means of transportation, and she mustn't be "scared."

The Summer Institute girl has taken the place of the "sweet girl graduate," and is admirably well. The Institute meets in Prince Edward, and while all of the surrounding counties have contributed to it, expense so much, the Board of Supervisors for Prince Edward refuse to contribute a dollar. This action is inexplicable and indefensable. There can be no reasonable excuse or explanation for it.

Mrs. N. C. Manson, Sr. and Jr., of Lynchburg, have been visiting friends in town.

Mrs. Sonmeister and daughter, of Germany, are guests of Mr. and Mrs. Walker Scott.

Miss Garland Dillard has returned to her home in Chatham after a delightful stay in Farmville. She is a young woman of rare attractions and made hosts of friends while here.

Misses Fannie and Maise Price are visiting their father, Dr. J. W. Price, in Riceville, Pittsylvania county.

The Mattoon-Cox wedding was beautiful in its simplicity and charming in its every detail.

A preacher, of the Universal faith, is delivering a series of sermons at our Opera House Sunday after Sunday. His at least is a comforting creed, but the trouble about it is that it isn't sustained by scripture. I do not make this statement to provoke controversy, but of this I need hardly fear, as the divine will not likely "stoop to conquer."

Quick upon the heels of this meeting will follow the "Holiness" meeting in Buckingham, so we are to have perfect people on this earth and eventually everybody safe in Heaven. I say again that nothing more comforting could come from the pulpit, and those who believe in this doctrine thus taught must be happiest of mortals. I would love to share this joy, but somehow I can't. The lines will come "where we are known even as we are known," and then we will know who was right in this life.

Some of our young fathers carry their heads high in mid-air as the walk down the streets of mornings. The babies are sleeping night and day now, but the wakeful period will be one to date time, and the fresh mama may look for carried quite high. Still they have my congratulations.

The Sit te Normal League, which was organized some years ago at the Normal here, is doing a noble work. The object of the organization is to aid deserving girls in securing an education, and not by giving them anything, but by simply lending them the money to be returned as soon as practicable after they themselves begin to make money. They have already done good work, and with larger capital would do very much more, better work. Here is an opportunity for the rich and poor to contribute to a worthy and noble cause. I am confident that fifty thousand dollars put to work in this way would accomplish as much good as that amount of money could possibly be made to do.

The longest day of another year has come and gone, and soon the shortest will be here again, and then Christmas and then good-bye 1907. "The golden moments in the stream of life rush past us and we see nothing but sand, the angels come to visit us and we only know when they are gone."

Best Medicine in the World for Colic and Diarrhoea.

"I find Chamb rlain's Colic, Cholera and Diarrhoea Remedy to be the best remedy in the world," says Mr. C. L. Carter of Skirum, Ala. "I am subject to colic and diarrhoea. Last spring it seemed as though I would die, and I think I would if I hadn't taken Chamberlain's Colic, Cholera and Diarrhoea Remedy. I haven't been troubled with it since until this week, when I had a very severe attack and took half a bottle of the 25 cent size Chamberlain's Colic, Cholera and Diarrhoea Remedy, and this morning I feel like a new man."

Just as the sensational investigation is concluded, the 25th Infantry breaks out again in Texas.

Take the Postmaster's Word for it.

Mr. F. M. Hamilton, postmaster at Cherryvale, Ind., keeps also a stock of general merchandise and patent medicines. He says: "Chamberlain's Colic, Cholera and Diarrhoea Remedy is staple as it here in its line. It never fails to give satisfaction and we could hardly afford to be without it."

The Doctor Away From Home When Most Needed.

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like cramp colic and cholera morbus require prompt treatment, and time in many instances proves fatal before medicine could be procured or a physician summoned. You might as well be without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life. For sale by J. R. Atwood Appomattox, R. J. Carter Prospect, E. F Glover Evergreen.

Panama Canal—Eric Canal.

Machinery is digging the Panama canal a thousand times quicker than the shovel dug the Eric.

Machinery produces the L. & M. Paint at 50 times less cost for labor, than if made by hand.

The L.&M. gives the best job in the world, because L. & M. Zinc hardens L. & M. White Lead and makes L. & M. Paint wear like iron for 10 to 15 years.

It only requires 4 gallons of this refined oil pain and 2 gallons of Linseed Oil at 60c per gallon, to paint a medium sized house.

If any dirbed takes it from L. & M. Paint, will repaint house for nothing.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a book telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

To the Voters of Buckingham:

To the Voters of the Eighteenth Senatorial District, Appomattox, Buckingham Fluvanna and Charlotte:

Buckingham.

A prominent Buckingham man says the unwritten law should be written and that men who shoot down men in cold blood or in heat of excitement without waiting to satisfy their minds that a wrong has been done, that such a man should be promptly hung, and then when it is an established fact that a man will surely be hung for killing a man, it would take no other than a brave man to commit murder when he knows full well he will be hung for it. In this county public opinion is much divided, some hold that Judge Loving was legally acquitted, and others assert that he should have been hung, but I have met no one who did not think the evidence offered by the prosecution should have been allowed to go before the jury.

Mrs. Martha A. Wade, who resided near Toga, Va., died on June 21st after a short illness of three months. (From the Charlotte Gazette, May 30, 1907.)

Chase City, Va., May 20th, '07.

Editor of Gazette:—Thos. W. Scott has announced himself a candidate for nomination of Senator from the 18th Senatorial district of Virginia.

Of the original companies that went from Charlotte in the early days of '61, I am the only living Captain. Scott when a mere boy enlisted in my company at Wyllisburg. He was a faithful and gallant soldier; his wounds testify to this fact, and since the war a true man and citizen in all the relations of life.

I watched his course when he served in the Senate, and he was alive and vigilant in representing the people of his district. His votes and purpose were for their best interests.

I trust my old comrades will give him their cordial support. He is deserving it and will show that their confidence and honor will not be misplaced.

Glenfall.

Last Sunday was an auspicious day at Mt. Comfort. There was an indebtedness of $125.00 on the church, and after a most excellent sermon, the pastor made an earnest appeal for that amount and $150 00 was quickly raised. The members of that church not only responded liberally, but also members of other churches. A Presbyterian was the first to respond to the appeal. What a privilege we should consider it to give to the cause of Christ. We are the recipients of so many blessings, and this is a small, but the only way we have to show our appreciation to a kind Heavenly Father. The Bible says "Freely you have received, freely give," and he who withholds, robs the Lord of a just debt.

"I find Chamb rlain's Colic, Cholera and Diarrhoea Remedy to be the best remedy in the world," says Mr. C. L. Carter of Skirum, Ala. "I am subject to colic and diarrhoea. Last spring it seemed as though I would die, and I think I would if I hadn't taken Chamberlain's Colic, Cholera and Diarrhoea Remedy. I haven't been troubled with it since until this week, when I had a very severe attack and took half a bottle of the 25 cent size Chamberlain's Colic, Cholera and Diarrhoea Remedy, and this morning I feel like a new man."
